

BUKU ACARA BANGKOK

GREETINGS

PS. DJOHAN HANDOJO &
PS. BETTY HANDOJO

Allow us to thank Pastor Soewandi Tandiawan, M.Th., our Local Pastor, for his leadership in the extensive ministry at BICT Church, along with the elders and church administrators who have supported BICT Church's ministry throughout this time.

Thank you to the Chairman of the construction committee, Mr. Michael Senghwa Sutedja, along with the entire construction committee team who, with faith and enthusiasm, worked with many parties to realize this great project.

The support of the Bangkok International City Tower Church congregation in faithfully sowing and bringing offerings since the vision was first presented to the Bangkok congregation is truly special.

We extend our special thanks to our fellow donors whose hearts have been moved by the LORD to bless the construction of the Bangkok International City Tower Church. May the blessings of heaven be abundant in your lives.

The team of architects, construction experts, interior designers, contractors, and subcontractors from various disciplines has worked diligently. Thank you for your cooperation.

With the physical completion of the house of God, the BICT Church is now tasked with building a spiritual home—where the church will carry out its mission: Reaching souls in Thailand through evangelism programs, Praise and Worship music, youth discipleship classes, spiritual development, seminars and workshops, and collaborating in empowering the missions of Thai churches.

Serving the community with programs that have an impact on the local community around the church, including various training programs in the following areas:

Healthcare

Social welfare

Non-formal education

Small-scale economic empowerment and cross-cultural engagement, etc.

We believe that God's vision and mission can be realized with your support and prayers. Finally, Romans 11:36, "For from Him and through Him all things are, and to Him be glory forever."

Amen.

In His love,

Pastor Dr. Djohan E. Handojo

Senior Pastor

Bangkok International City Tower Church, Bangkok.

Shalom, beloved Ladies and Gentlemen in Christ,

It is a special joy today that God has allowed the Indonesian House of God to be established in Bangkok, and all of this is inseparable from God's grace. We hope that the Bangkok House of God will win many souls in Thailand and have a lasting impact on this nation. May this House of God become a House of Prayer for All Nations.

First, I would like to express my deepest gratitude to the Lord Jesus Christ for His grace, as well as to our Senior Pastor, Pastor Djohan Handoyo, and to the support of all the workers, servants of God, church activists, and congregation members of BICT Church Bangkok, who have donated funds, prayers, time, and energy. I also express my gratitude to the donors to BICT Church Bangkok and those from Indonesia who have supported the construction of this house of God, Bangkok International City Tower Church.

Furthermore, we extend our gratitude to the project leaders who persistently completed the project: Mr. Michael Sutedja, supported by project consultant Khun Visong, and contractors Khun Viwat and Khun Jay.

We also express our gratitude for the support of Khun Sunsern.

Thank you, and God bless you.

May BICT Church affirm the Lord's words:

Then He taught, saying to them, "Is it not written, 'My house shall be called a house of prayer for all nations'?" (Mark 11:17)

Amen, and greetings in the love of the Lord Jesus Christ.

In the Name of the LORD, the God who lives forever and ever.
Today we witness the fulfillment of God's promise to all of us—the extended family of BICT Bangkok and also BICT as a whole. This temple of God stands as a sign of His unwavering faithfulness, as a symbol of His everlasting covenant, and as a tangible proof of His favor upon all of us.

This church building is not just a series of stones, iron, and wood. It is the fruit of steadfast faith, a tangible proof of God's love, an inscription of loyalty, and the result of sincere sacrifice from hearts that love the LORD—since the birth of the vision and mission of BICT Church for Thailand 24 years ago until today.

With respect and gratitude, on behalf of the Development Committee, I would like to express my deepest gratitude to:
First and foremost, our good and faithful Lord God.

Senior Pastors Djohan Handoyo and Betty Handoyo.

BICT Bangkok Pastors: Pastor Soewandi and Mrs. Esther.

BICT Bangkok Elders: Pastor Ricky Kurniawan and Rosianti, Pastor David Devlim and Nittaya.

Donors who have given generously.

Consultants, suppliers, and contractors who have worked with integrity and professionalism.

Our deepest appreciation goes to the Core Construction Team for their dedication and hard work, ensuring the smooth running of this construction process (in alphabetical order):

Adi Lie, Andreas Yulianto, Benny Siagian, Betty Waworuntu, Pastor David Devlim, Ferry Yesaya, Pastor Harris Saragih, Henry Kosim, Henry Kristianto, Iwa Suhendra, Pastor Ricky Kurniawan.

Our sincere thanks also go to the entire BICT Bangkok family for their faith, support, prayers, and donations towards the construction of this House of God.

We believe this church will be a home for us all, a sign to the nations that the LORD is a good God, and a real blessing to the Thai people.

Our real task has just begun. Let us make this place a place where God is pleased to reign, a house that pleases His heart, and a center of blessings flowing to the Thai people.

All glory to the LORD.

2 Chronicles 5:1a—"So all the work that Solomon did for the house of the Lord was finished." 2 Chronicles 7:1-3

(1) When Solomon had finished praying, fire came down from heaven and consumed the burnt offering and the sacrifices, and the glory of the Lord filled the house.

(2) The priests could not enter the house of the Lord, because the glory of the Lord had filled the house of the Lord.

(3) When all the Israelites saw the fire coming down and the glory of the Lord filling the house, they bowed down with their faces to the ground and worshiped and praised the Lord, saying, "For he is good; for his steadfast love endures forever."

The Lord who has been with us all this time, the Lord who has completed His Temple upon your Church, the Lord will send His fire upon His people in Bangkok, and the Lord will be glorified, amen.

Congratulations to the New BICT Bangkok Building, continue to harvest until Maranatha.
Hope to see you all very soon ❤️

Congratulations to Bangkok International City Tower Church
I am delighted to join in Celebrating a Legacy of Faith and Community
It is with immense joy that we congratulate
Bangkok International City Tower Church,
a spiritual home that has grown from its roots as
Bethany International Church (BIC) Bangkok into a beacon

of unity and faith. For over two decades, this church has been a cornerstone for Indonesian business families and professionals in Bangkok, weaving together diverse cultures under the banner of Christ.

The vision of founding leaders like Pastor Djohan Handojo and the dedication of elders such as Elder Soewandi Hianyanto, Ps. David Devlim, Ps. Ricky Kirniawan, Ps. Haristopan Saragih and Ps. Michael who oversees the building project successfully and other leaders and church members who dedicated life for the church. Together have nurtured a community where faith transcends borders, and marriages between Indonesian leaders and Thai wives symbolize God's love for reconciliation and partnership of two nations.

A Testament to Resilience and Growth

The journey of this church mirrors the perseverance of its members—many of whom left their homelands to build livelihoods in Thailand, only to discover a deeper purpose in building God's kingdom. The transition to a new church building is not merely a physical milestone but a testament to the vibrant spiritual growth fostered here. From its early days serving Indonesian expatriates to its current role as a multicultural hub, the church has embodied the apostolic and prophetic foundations laid by Pastor Djohan, whose leadership extends across global ministries like Symphony Worship and Transform World Connection.

This expansion reflects the Lord's faithfulness to His promise: "I will build my church, and the gates of hell shall not prevail against it."—(Matthew 16:18).

Gratitude and Future Horizons - As a close friend of Elder Soewandi and a witness to this community's journey for 25 years, I am moved by the enduring relationships and generational impact forged here. The new building stands as an invitation to further harvests—reaching not only the Indonesian diaspora but also Thai neighbors and global sojourners in Bangkok. May this next chapter amplify the church's mission, as seen in its alignment with initiatives like mission organizations worldwide, especially in Asia and Indo China; and may every brick echo the prayers of those who labored to make this vision a reality. Congratulations to the entire church family for past, present, and future for embodying Christ's love in one of Asia's most dynamic cities Bangkok and nation of Thailand. Go BICT Church,

SEJARAH SINGKAT GEREJA BICT CHURCH

In 2000, a Fellowship for Christians living in Bangkok was established, initiated by Mrs. Agung Kartika Tobing and her husband, Mr. Jonas Tobing.

This fellowship was attended by six Christian families in Bangkok who longed to worship at the 9th floor of the Seth Insaf Towers Apartment on Sukhumvit Soi 13, Bangkok. After the congregation grew, the Fellowship moved to the first floor and came under the auspices of the GBI Gatot Subroto Jakarta under the guidance of Rev. Dr. Djohan Handojo, who is now our Senior Pastor. He sent the first missionary pastor, Pastor Paul Rahardjo.

This fellowship evolved into Bethany International Church Bangkok, known as BIC Bangkok, and services moved to the Grand Pacific Hotel Bangkok on Sukhumvit Soi 19. BIC Bangkok is under the auspices of a local Thai church, Romyen Church. Over time, BIC Bangkok continued to rent and move between several hotels, including the Novotel Hotel Siam Square Bangkok, Pathumwan Princess Bangkok, and the 10th floor of Trendy Office and Plaza.

The church in Bangkok is unique because many expatriates from Indonesia come to work and study here, but many also have to return to Indonesia or are transferred to other countries. Those studying after completing their master's or doctoral programs must return to Indonesia. Likewise, some of God's servants were sent by our Senior Pastor to assist in the ministry at Bangkok International City Tower Church, but they have returned to Indonesia after completing their ministry.

God is so good and loves His children. Because of God's grace, BIC Bangkok was blessed with a plot of land on December 9, 2019. God gave us a plot of land at Sukhumvit 97/1 Bangchak, Bangkok. On December 9, 2019, our Pastor, Senior Pastor Dr. Djohan Handojo, anointed the land. On May 2, 2022, the groundbreaking ceremony for construction began, as permits took over a year.

In 2025, Bethany International Church Bangkok changed its name to Bangkok International City Tower Church Bangkok, affiliating with the local church, True Love Church, in Thailand. In Thailand, we are under the auspices of Evangelical Fellowship Thailand, and in Indonesia, under the auspices of City Tower Church Jakarta. Bangkok International City Tower Church has a clear vision: Rise Up, Reach Out, and Impact (RRI), where we aim to Awaken, Reach Out, and Impact in Thailand. Praise the Lord, we finally have our own building without having to rent anymore at 85 Sukhumvit 97/1 Bangkok in the CITY PRAYER TOWER building. Thank you for God's goodness.
